

COMPANY PROFILE

REETA JUNEJA

ABOUT US

Reeta Juneja Inc is a highly reputed supplier of essential oils, aroma oils and spa products that are easily regarded by professionals and leading spa media authorities as being of amongst the finest quality. Our clientele include leading cosmetic and healthcare business, luxury spas and leading hotels as well as many individuals comprising elite socialites with an appreciation and comprehension of quality.

For 30 years we have produced exotic scrubs, packs, wraps, creams; blended oils; source for the purest and finest absolutes, true concretes, pure essential oils from across the world working with boutique distillers who share our philosophy and values and practice the highest standards of

ethics, maintain complete transparency and whose management is held in high regard in their respective communities.

In addition to supplying other producers, we market a professional range of premium spas, salons, and beauty and slimming companies. All our products are 100% vegetarian, completely organic and natural with no chemical substitutes present.

The year 2010 onwards marked our foray into spa products through collaborative efforts with leading Indian manufacturers of quality skincare and hair care to produce a professional range for premium spas, salons, and also beauty & slimming companies, as well as eventually to also cater for consumers.

REETA JUNEJA

Reeta Juneja, our founder, is a European educated and trained Aesthetician, a world-renowned Aromatherapist and South Asia's only Phys-Essentialist and Medical Practitioner of Aromatherapy. An expert blender, she is renowned in the industry for her practice in clinical aromatherapy for over two decades and has an extensive international clientele of individuals including royalty, socialites, corporate leaders and industrialists.

Much of her career, spanning over 30 years, has involved international practice and consulting for some of the world's most reputed beauty, hair care, skincare and slimming companies in Spa Design, Management, Franchising and Branding,

as well as in the area of Research & Development of products, therapies and signature oils for some of the world's leading names.

Regularly featured in the media in various regions around the world, Reeta writes and contributes extensively on Aromatherapy, as well as Spa & Wellness-related issues, trends, treatments and ongoing developments.

In every effort, Reeta has shaped her passion for aromatherapy and skincare around her personal philosophy of sustainability, purity, and overall wellness of living. The personality of her ethic is that of which her personal spa line takes after, in ensuring genuine holistic living.

PHILOSOPHY

We believe in a broad based philosophy of Spa Living that encapsulates wellness and health into every aspect of our daily lives in a manner that respects nature and the environment.

Our range is a synergy of completely natural ingredients harnessed organically and produced in small batches to preserve its therapeutic properties while in complete synchrony with nature using fully

renewable resources to produce them and recyclable material to package.

Sourced from the finest and most respected boutique producers the unparalleled quality of the collection targets the most discerning clientele and is both highly effective and result oriented. It aims to treat, beautify, rejuvenate and renew your guests, consumers and patients holistically.

WHY WE ARE SPECIAL

QUALITY GUARANTEE OF A TRUSTED NAME

Reeta Juneja is one of the Industry's leading authorities with vast international experience spanning over 30 years, as a renowned figure and one of the most trusted names her products are a reflection of her sound philosophies of living healthy and her love for nature. They incorporate the finest quality ingredients chosen for perfect blending and formulation by her for unsurpassed quality guaranteed.

EXPERT SOURCING

We procure our oils and spa product ingredients from across the globe patronising only the finest boutique distillers, herb and plant growers, all organic producers, thereby ensuring that only the finest highest quality natural ingredients are used.

EXPERT R&D FORMULATION

All oils are blended by Reeta Juneja herself or under her supervision in small to medium size batches to ensure their therapeutic and medical benefits are retained.

HIGHEST GRADE OILS – 100% NATURAL

Unlike the cosmetic grade or lower grade oils in the market our oils are sourced from reputed boutique producers who have traditionally supplied the finest quality therapeutic and medicinal grade oils to the health-care industry.

100% ORGANIC

Our range uses ingredients that are almost always completely organic. From rare herbs, essential oils, dry fruit, fruit, roots, berries, vegetables to rice and an assortment of other ingredients we select only the finest boutique producers who undertake practises that are environmentally

friendly, natural and that are sustainable.

100% FREE OF CHEMICALS, SUBSTITUTES, RADICALS & ARTIFICIAL SUBSTANCES

Our products are completely free of artificial chemicals & preservatives, chemical scents or other unnatural substances.

100% ALCOHOL FREE – SUITABLE FOR MUSLIM GUESTS

Cater to the growing Arab and Middle Eastern clientele without reservation! As our oils are produced by distillation to ensure superior quality and retain their therapeutic and medicinal properties. Our product range is similarly completely free of any form of alcohol.

100% VEGETARIAN

No animal content is used nor are any of our products ever at any stage tested on animals.
